Date presented to membership _____ Total amount paid _____

New members must present their application to the club secretary prior to a regular meeting which is held the 2nd Tuesday of each month. The application is read to the membership present at the meeting and then held until the following meeting. It is again read and then a vote is taken to accept or reject. If accepted, the new member then receives the combination to the buildings and can start enjoying the full benefits of the club. Associate members have all the privileges of using the club as a regular member except that they cannot vote on club matters.

There is a 15 hour work requirement for each adult member every year. Attend monthly meetings to learn ways and join work efforts to earn these work hours. Associate members do not have any work hour requirements.

Ti Yogi is a chartered club with IBO (International Bowhunters Organization), membership in IBO is encouraged but optional - see (www.ibo.net) - includes subscription to magazine, decals, rule book, and additional insurance.

A Junior member joining the club must have a parental responsibility form signed and on file before shooting at the club. A Junior member must be accompanied by an adult member or parent/guardian at all times while at the club..

See the Secretary for the proper forms and Constitution and By-Laws. All members must sign in before entering the indoor range for practice on non-tournament days. When finished practicing, you must sign out and you will be billed each month at the rate of \$2.00 per hour. (There is a drop box just outside the range if you choose to pay the same day you practice)
